2<sup>nd</sup> July 2021

Each one of you has a special gift from God. Use it to serve others well. 1 Peter 4:10

## Thought for the Week

I heard the Lord's voice, saying "Whom shall I send and who will go for us? Then I said, "Here I am. Send me!" Isaiah 6:8

Dear Parents and Carers,

It has been really wonderful to see our students taking part in activities and trips beyond the classroom during the personal development days this week. We know that these create lasting memories; support the development of social skills; build confidence and character in our young people.

The variety of opportunities offered over the three days has been remarkable and I have to say a huge thank you to the staff involved in the planning of the days and in enabling our students to get the most out of each activity.

Coming up next week is our Sports Day on Friday 9<sup>th</sup> July (fingers crossed for fine weather). Students have been busy planning their teams and who will compete in each event for their tutor group and their House. We are sad to say that this is another event affected by the ongoing regulations and we are not able to invite parents and carers into school to join us. We remain hopeful, as I am sure you do, that we are nearing the end of such restrictions and look forward to next year when all things are possible once more!

Our activities days are taking place on 15<sup>th</sup> and 16<sup>th</sup> July, the deadline for payments are today, and your child will receive further information next week about their allocated trips and activities.

Recently we had a 'Wear Yellow Day' to raise monies for and awareness of the Cystic Fibrosis Trust. We are pleased that £304.89 was raised and is being sent to the charity.

I refer you once more to the information in this bulletin about LFD testing and reporting positive cases. A heartfelt thank you to you all for continuing to test at home and report results and symptoms to the school so we can take the appropriate actions in line with government regulations. You will have seen the various headlines this week about proposed changes to the regulations around students self-isolating. We have not received any official changes to the current guidance we have to follow but, as ever, we will keep you updated of any changes as and when they are announced.

Whatever you are doing this weekend, I hope it brings you a sense of peace and calm.

With best wishes,

Mr B E Burley

Head of School

## LATERAL FLOW DEVICE TESTING REMINDERS

### Message from the Department for Education:

To help in communicating the importance of testing and reporting, we have produced a blog on [why reporting your test result is as important as taking a test](#), featuring further guidance and common questions. This also includes details on financial support available to parents whose children are asked to self-isolate after contact with a positive case.

### Please continue to report your results via the links below.

1. Continue to report LFD (non-symptomatic) Home Testing results
2. It is really important that results of tests are reported online straight away, even if your child's result is negative or void. It's easy to do at [www.gov.uk/report-covid19-result](http://www.gov.uk/report-covid19-result).

Results can also be reported via telephone by calling 119 (free from mobiles and landlines). Lines are open every day, 7am to 11pm.

It is important to also report the result to WSE as well. This can be done by completing the WSE [Report a COVID-19 positive result LFD form](#)

3. Parents/carers must continue to inform the school of confirmed cases if symptoms developed within 48 hours of last being in school. If a positive LFD result is received you can advise the school via the links above. **If you receive a positive PCR result, please notify the school by emailing [covid@wyvernsted.org](mailto:covid@wyvernsted.org)**

Parents/carers of pupils who were not symptomatic but tested positive within 48 hours of last being in school also need to let the school know.

4. Where a pupil tests positive for coronavirus (COVID-19) via a PCR test, having developed symptoms more than 48 hours since last being in school, you do not need to separately advise the school of this. Parents and carers should follow contact tracing instructions provided by NHS Test and Trace.

Please do continue to report LFD (non-symptomatic) results via the normal way.

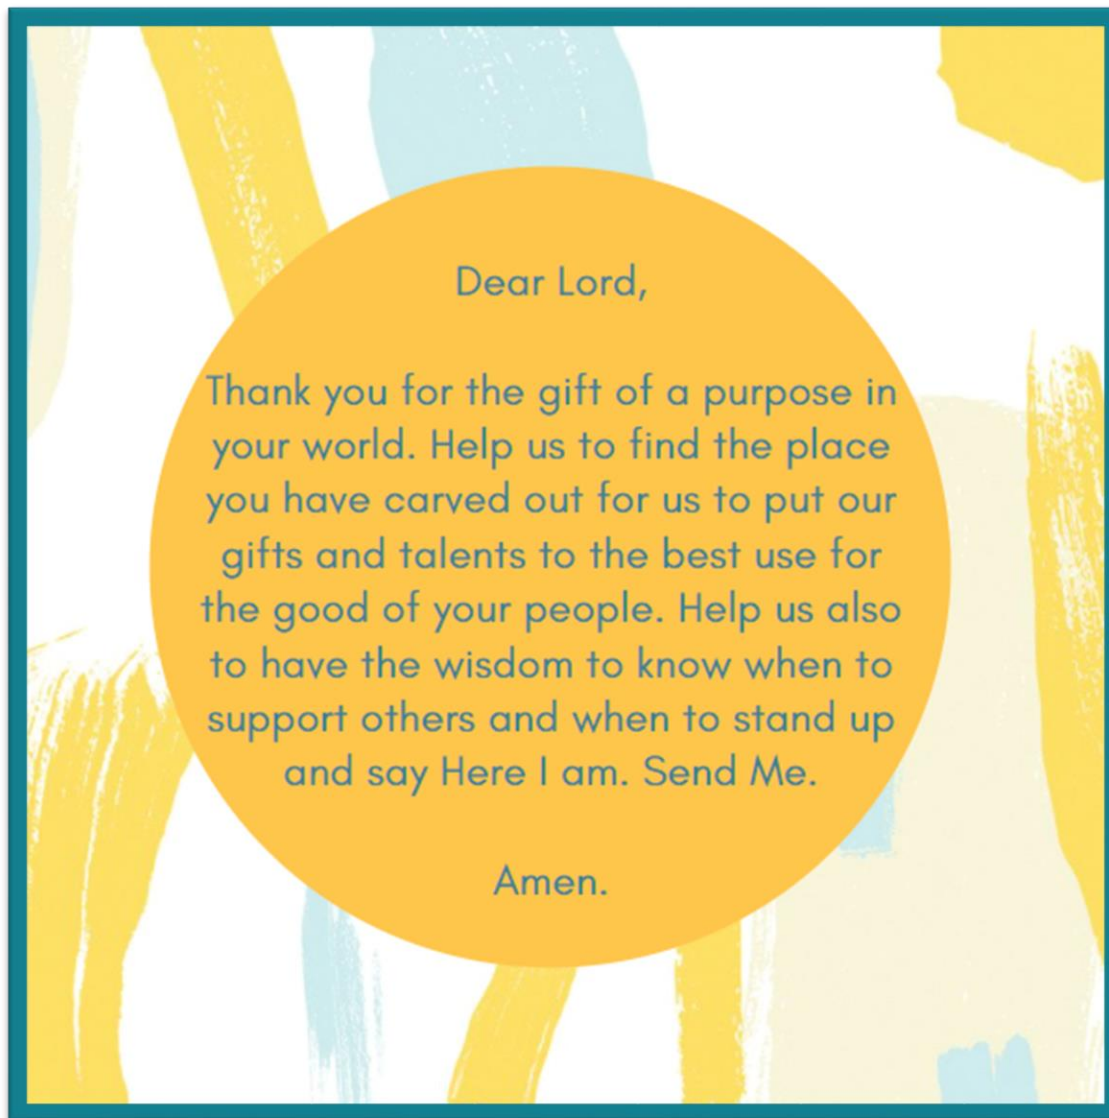

5. The school will continue to report all confirmed cases to [phtracing@wiltshire.gov.uk](mailto:phtracing@wiltshire.gov.uk)

**If your child has a positive COVID test please alert the school as soon as possible on the usual number: 01722 328565.**

**Outside of school hours only, please email [covid@wyvernsted.org](mailto:covid@wyvernsted.org).**

**Many thanks**

## Our Daily Prayer

### Year 9 Parents' Evenings

Thank you for attending online parents' evening this week - we had a brilliant virtual turn out. We would appreciate your feedback about your experience of conducting parents' evening via video appointment. A survey has been emailed to you and the closing date for your response is next Friday 9th July.

If you faced any technical issues and were unable to speak to a teacher, please email them directly to give you a progress update about your child.

You can find a full list of contact details for teachers on our new website here: <https://www.wyvernsted.org/43/staff-at-wse-7>

## Friends of Wyvern St Edmund's: Uniform Exchange

Did you know that you can contact other parents/carers of WSE to exchange, sell and/or donate uniform? This is a good way to recycle uniform that is still in good condition and save money.

You can connect on Facebook via this link: <https://www.facebook.com/groups/294901624779765/>
