# WSE FAMILY BULLETIN

## THOUGHT FOR THE WEEK

### 'EVERY MOMENT IS A FRESH BEGINNING' T.S. ELIOT

Dear Parents and Carers,

I hope you've been able to enjoy a well-deserved rest and some quality family time over the past few weeks. It really was an epic year last year for all of us and the summer holidays arrived at just the right time!

Things have been rather busy on the WSE site throughout the summer: remedial electrical work, painting, classroom maintenance and deep cleaning has been completed. During the week beginning 9th August we welcomed 240 of our new Year 7s on site for our first summer school, which proved to be a really fun and engaging induction into WSE. On 12th August our Year 11s received their GCSE results and our Year 10s received their English Language and RS results. It was really great to see so many happy, smiley faces – we are so very proud of how stoic and positive our senior students have been. We look forward to hearing how well our former Year 11s are doing so far at college or on apprenticeships at our Class of 2021 Prom - which takes place tonight!

The mass testing system has worked well over the past two days – students have taken it in their stride and have been eager to get to lessons and begin learning again. We will be writing to you next week in more detail about next steps including a reminder of what to do if you suspect that your child has COVID-19 symptoms. We will also provide updates on other key areas of school life.

Thank you for preparing your children so well for the start of term – when I watched them all arrive this morning they were overwhelmingly smart, polite and punctual – a real credit to yourselves and the school.

With best wishes for the term ahead.

Mr B E Burley  
Head of School

Wyvern St Edmund's  
Learning Campus
